

MARSHALL CASSIDY RIVES ACCEPTABLE STARTER IN BOWIE RACE MEETING

FAIR PHANTOM SCORES OVER CLASSY FIELD

Kentucky Filly Defeats Gentility, Prudery and Others—Starter Miller Relieved—Cassidy Appointed.

By LEONARD W. COLLINS.
BOWIE RACE TRACK, Nov. 24.—The Cinderella Puss, conditioned expressly for fillies over a route of one mile, did not prove to be the feature of this afternoon's race. George Park card, resulted in a clever score for Montford Jones' Fair Phantom over George L. Blackford's Gentility. The time for the event was 1:43.

Fair Phantom had to be pounds better than any of her opposition in order to be returned the winner. Breaking fairly well the Kentucky filly experienced some difficulty in the first half mile measuring strides with the Blackford star.

Marinelli attempted to steal a long lead right from the break and by the time the half-mile pole was reached enjoyed an advantage of a length and one-half over Fair Phantom. At this point Harry Payne Whitney's Prudery was racing two lengths in back of the Jones standard bearer.

As the field hit the far turn there was a general closing up. Gentility began to show unmistakable signs of faltering. Sweeping into the stretch Marinelli, astride Gentility, bore over to the right in an attempt to send the closing Fair Phantom still further out.

THROWING CHANCES AWAY.
Scobie sent Fair Phantom up until the two leaders were running neck and neck. Any chance Marinelli may have had to win with the Blackford youngster was thrown to the winds when he kept crowding the Kentucky filly, and in the end, giving ground and in the sloughing which ensued as far as the sixteenth pole finally came out best.

Gentility had practically raced herself into submission through the grueling pace she had cut out in the early stages. Once clear Fair Phantom responded under punishment and closed the race with a verdict by a full length at the end. Gentility held Prudery safe by three-quarters of a length. The others were outrun.

Of secondary importance on the card was the Autumn Consolation, a handicap over a mile and one-eighth for three-year-olds and up. The Quincey Stable's All Over had been installed the public choice, and it was only in the final fifty yards that he was able to get up in time to dispose of George Foreman's Super and stall off a challenge from John Paul Jones.

MILLER GIVEN GATE.
As had been anticipated, Starter George Miller was relieved of his duties this afternoon. Miller worked the first four races on the program and after the fourth, an announcement was made that he would be taken ill and would not officiate any more during the day.

General Manager James P. O'Hara added still further to the announcement by stating that Miller would not appear again during the current season. Cassidy, who had been selected to fill Miller's place, was given a rousing ovation when he dispatched the field in almost perfect alignment in the fifth race. Cassidy went about his work in a manner that clearly demonstrated that he is far from being a novice at the game and made a decided impression upon the crowd.

EAGLE ELEVEN ENDS TRAINING FOR BIG GAME

Every Boston College Regular in Good Shape for Supreme Effort Against Georgetown.

BOSTON, Nov. 24.—The Boston College Eagles completed their training today for the big contest with Georgetown tomorrow. Every regular on the Eagle eleven is in perfect shape and fighting trim for the garden party at the Braves' Field wigwam tomorrow.

Assistant Coach Joy's scrubs assumed Georgetown formations and plays against the regulars. Coach Cavannagh watched the first team game, and has declared that he will spend the remainder of the afternoon in drilling the regulars in new formations.

There is greater interest in the Boston-Georgetown contest this season than ever before. Among the students and alumni there has been a great demand for tickets, and a capacity crowd is expected to watch the second battle of the "Big Four" series.

The Boston alumni have arranged a smoker to be held at the American House tonight. The big Boston smoker will be conducted under the auspices of the senior class next Friday night, the eve of the Holy Cross-Boston game.

CARDINAL MAY ATTEND

Cardinal O'Connell has been invited to attend the Georgetown game, and has declared that he will occupy a box if his affairs will permit. Mayor Curley has been invited also, and will most probably be on hand to cheer the Eagle warriors.

"Plaster" Ward and Cronin, the Eagle halfbacks, will play against their old team mates tomorrow. Both men were members of the Blue and Gray squad two years ago, but Boston's climate suited their temperaments better and so they matriculated at University Heights.

Both Ward and Cronin are especially anxious to show their former team mates that they have learned a few things about football since their departure from the Capital. Ward is eager to display his power as a line plunger against the Blue and Gray, and Cronin, too, wants to convince the spectators that Georgetown cannot hold him even now.

HE'S A LINE MASHER

Ward is one of the finest line plungers that the Eagle has had in quite a few years. "Plaster" is known as a line carrier rather than a line masher, for he usually is not satisfied to break through, but likes to drive along a three or four yard run with him. He will undoubtedly do much of the carrying tomorrow and from his showing thus far, the Georgetown line will find him as hard to stop as a congressional orator.

Darling is keeping in trim for the punting duel with Flavin. In practice, he is getting off punts averaging fifty-five yards, and in any event, he will not be outclassed by Georgetown's premier kicker.

Times Live Wires on Losing End to Havoc

The Washington Times Live Wire Club was defeated by the Havoc Club Sunday at the American League Park by a score of 18 to 9, although outweighed thirty pounds to the man.

The Live Wires put up a stubborn game. Morris Burman, of the Live Wires, distinguished himself with his great defensive work, while David Shapiro, halfback, brought the crowd to its feet when he took the ball from the kick-off and ran it back forty yards.

DEFY BIG FELLOWS

The Langdon Juniors seek new worlds to conquer. They are anxious to step out of the 115-120 pound class to meet the Park View Seminary or the jokers, Tense, Bob Walton, North 447, after 6 p. m.
